### Membership Criterion

EVAWQ is not a network of networks, it is an alliance comprised of members representing their own service, or members joining as independent Individuals. It is a criteria of membership that the service representative be female and a decision maker in their service.

### Why you should become a member of EVAWQ

EVAWQ is the first alliance in Australia to collectively represent sexual violence, women's health, women's refuges and domestic & family violence services.

Benefits of EVAWQ membership:

- ✓ Ensure your service is kept up to date on issues affecting the violence against women sector;
- ✓ Provide a conduit for the distribution of information relevant to your organisation/sector through the secretariat (relevant to the work of EVAWQ);
- ✓ Attendance at the annual face-to-face meeting of violence against women services; and
- ✓ Being part of a collective voice to advocate for policy changes.
